

**Utah Statewide Immunization Information System (USIIS)  
Monthly Report, June 2001**

**New Private Provider Enrollment:** Tooele Valley Pediatrics enrolled in USIIS. A WebKIDS training session has been scheduled. **Contact Christine Perfili at 801-538-6185.**

**Users Group Meeting:** The quarterly KIDS/WebKIDS Users Group meeting was held on June 6<sup>th</sup>. Database users gave valuable feedback regarding training, software problems and user needs. **Contact Sandra Schulthies at 801-538-6114.**

**Sales Training for USIIS Staff:** An agreement has been reached with GlaxoSmithKline sales executives and USIIS and Immunization management to provide sales training for both USIIS and Immunization staff. The purpose is to better represent our program products to providers. Training will take place over 4 to 5 three-hour sessions from July to October 2001. **Contact Nancy Paré at 801-538-6871.**

**USIIS Exhibited at Pediatric Conference:** USIIS staff demonstrated the USIIS registry applications at the Common Problems in Pediatrics Conference, June 11-13, 2001. Several interested pediatricians took a USIIS enrollment packet and requested more information and a further demonstration at their clinics. **Contact Christine Perfili at 801-538-6185.**

**Number of Users:** As of June 25, 2001, there are 322 individuals using software applications (KIDS, WebKIDS, or WebKIDS Lite) provided by the USIIS program to enter and look up immunization information. All USIIS applications require a user ID and password. Also, confidentiality statements are signed by individual users. **Contact Sandra Schulthies at 801-538-6114.**

**Agreements signed:** Intermountain Health Services, Inc. (IHC) and USIIS have signed a Data Disclosure and User Agreement and a Service Level Agreement in order to exchange immunization data. IHC has 60% of Utah's patient data, so this exchange will greatly enhance the USIIS database. **Contact Nancy Paré at 801-538-6871.**

**Data Matching:** USIIS has received IHC's data. The USIIS matching algorithm has passed IHC's testing format. The next step is to go live with an IHC clinic in July. **Contact Joe Nay at 801-538-7008.**
